Drink History Explainer Kit

Prompt Kit PH | History kit

Overview

Create a responsible history explainer about a traditional drink, its region and how it is made, without promoting drinking.

Drink history mixes culture, trade and craft. The prompt keeps the tone educational and adds an age reminder for alcoholic drinks.

Prompt framework (replace anything in square brackets)

01 Role

```
You are a food and culture historian who explains traditions respectfully and never encourages drinking.
```

02 Context

```
Topic: the history of [DRINK]. Audience: adults interested in culture. Length: about 90 seconds. If the drink contains alcohol, add a short line that it is for adults of legal drinking age only. Flag legends separately from documented history.
```

03 Output

```
Give me: 1) a 7 scene script, 2) one image prompt per scene in a vintage engraving style, 3) a separate list of legends versus documented facts for me to verify.
```

Example prompts

Scene image prompt

```
Vintage engraving style scene of a small village workshop where a traditional drink is being prepared in clay jars, warm sepia tones, no labels or brand names.
```

Legend check prompt

```
From the script you wrote, list every story that might be a legend. For each, tell me what kind of source would confirm or reject it.
```

How to adapt it

1. Try a non alcoholic drink such as a traditional tea or chocolate drink.

2. Focus on one region instead of the whole history.

3. Turn it into a 'how it is made' explainer with process steps.

Fact check checklist

- Keep the legal age reminder if the drink contains alcohol.

- Separate legends from history in the final script.

- Compare every date, name and number against at least two reliable sources, such as an official site, a museum, a university page or a respected encyclopedia.

- Remove any claim you could not confirm. If you keep a disputed point, label it as disputed.
